

April 2020

Dear Valued Guests,

As efforts concerning the containment of COVID-19 expand and evolve here in the U.S. and around the world, we want to assure you that we are focused on three things:

1. Continuing to provide exceptional service and safety for our guests
2. Ensuring the safety of our team members
3. Supporting local & community efforts to limit the spread and impact of COVID-19

We are carefully monitoring the COVID-19 situation through the Centers for Disease Control (CDC) and other agencies to ensure our actions are aligned with recommended measures. This is a dynamic situation that is evolving daily. We are prepared to make changes as necessary.

St. Margaret's Ecumenical & Retreat Center, is now CLOSED through April 15, 2020.

If we are able to open before that, we'll be delightfully surprised! Reservations that fall within that time period will be cancelled with the opportunity to reschedule to a future date or receive a refund for your deposit. We welcome future reservations to be made via email at info@stmargaretshouseny.org.

All house events from now until April 15th have been officially cancelled. This includes our Fish Fry's, Breakfast with the Bunny, and our monthly dinner in April. We will keep you updated as further information unfolds. In the meantime, please adhere to the CDC's recommendations throughout the quarantine.

We are continuing to take additional precautions and ask that you help us to do the same for our businesses, community, and country. The CDC has advised the limiting of discretionary travel. If you are sick, stay home and continue social distancing.

If you have a reservation for the future, please wait to take action until we see how this pandemic affects our country in the coming weeks and months.

We wish you well and hope that you stay safe.

Sincerely,

Judith H. Reilly
Executive Director
