ST. MARGARET'S

ECUMENICAL & RETREAT CENTER

47 Jordan Road New Hartford, NY 13413

What's Happening this Month @ SMH?

This month we will be offering various meet-ups via Zoom. Since we can't gather in-person, we wanted to offer another way to gather. We do believe Zoom and video chat is definitely the new "norm." We do hope you will be able to join a few of the different events we will have this month.

Please remember that we are open for guests to come and visit during normal operating hours. Feel free to browse the books in the library, bring your own book to read, or project to work on. SMH is a peaceful and quiet place for all. You and your children are welcome to come over to play in the snow, make snow angels, snowmen or just wander around!

Please have a some fun in our large front yard this winter season!

We will be open to the public as long as allowed by the Governor.

Please visit us on our website or Facebook for updates on closures or cancellations.

Mysticism and the Mystics

Some mystics, such as Hildegard of Bingen and Julian of Norwich, have experienced God through visions, some "hear" an inner voice, others, like St. Francis, experienced God in their bodies.

Mysticism has been a part of the Christian experience down through the ages, but it can also be Muslim, Jewish, or nondenominational.

Join Rev. Elizabeth Gillett as she guides you through an overview of Mysticism & Mystics.
